Re: Freedom of Information Request

Thank you for your Freedom of Information request that we received on 9th December 2016, with regards to prescribing of Sacubitril valsartan.

Request/**Response**

- 1) Please could you inform me if your CCG currently sanctions the prescribing of Sacubitril valsartan by cardiologists in your local trust hospital?

Liverpool Clinical Commissioning Group adhere to the requirements of all NICE Technology Appraisals (TAs), including Sacubitril Valsartan.

We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests. You can formally request an internal review within a reasonable period of time (2 calendar months) from the date this response was issued.

Where you are not satisfied with the decision of the internal review you may apply directly to the Information Commissioners Office (ICO) for a further review of that decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure in the first instance.

The ICO can be contacted at:

Information Commissioners Office

Should you require any further information, clarification regarding this response or do not feel that your request has been answered as you would expect, please contact us to discuss.

Yours sincerely,
