Dear

Re: Freedom of Information Request

Thank you for your Freedom of Information request that we received on 3rd June 2019, with regards to CCG expenditure over £25,000.

Request:

I am looking for some assistance with your organisation's Spend/Transparency data, available on the following web link:

<https://www.liverpoolccg.nhs.uk/about-us/publications/spending-reports/2019/>

There appears to be no file available for the month of April and May 2019. Could you advise when the file will be made available to view online? Would it be possible for you to email me a copy of the April and May 2019 file?

Response:

We apologise for the delay in this information being made available. All reports are available on our website at <https://www.liverpoolccg.nhs.uk/about-us/publications/spending-reports/2019/>

Please find attached a copy of the reports for your information.

We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests. You can formally request an internal review within a reasonable period of time (2 calendar months) from the date this response was issued.

Where you are not satisfied with the decision of the internal review you may apply directly to the Information Commissioners Office (ICO) for a further review of that decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure in the first instance.

The ICO can be contacted at:

Should you require any further information, clarification regarding this response or do not feel that your request has been answered as you would expect, please contact us to discuss.
