Dear

Re: Freedom of Information Request

Thank you for your Freedom of Information request that we received on 2nd October 2019, with regards to IT services.

Request:

1. Please could you tell me what your CCG spend on Core GP IT services, and
2. What your CCG spend on IT services provided to the CCG is (for example help desk support, 1,2,3rd line support, networking, business as usual services if this is different to the above).

I would like this information for the financial years 2018/19 and 2019/20 and in £

Response:

We are unable to provide you with the information you have requested under section 1 (1)(a) of the FOI Act. This is because we do not record the split of costs in the way that you have requested. However we have published our IT expenditure for the period requested and this is available on our FOI publication scheme.
