Dear

Re: Freedom of Information Request

Thank you for your Freedom of Information request received on 4 June 2020 with regards to Hydroxychloroquine Retinopathy Screening.

Request:

Could you please provide the following information with regards to the commissioning of screening for hydroxychloroquine retinopathy:

1. Have you specifically commissioned this service in your CCG?
2. Please provide details of the providers you have commissioned for this service and whether they are a NHS Trust or an independent provider

Response:

NHS Liverpool CCG has not specifically commissioned a service for Hydroxychloroquine Retinopathy.

We are aware that a service is being delivered by Liverpool University Hospitals NHS Foundation Trust.

Please redirect your query to: FOIRequests@liverpoolft.nhs.uk

We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests. You can formally request an internal review within a reasonable period of time (2 calendar months) from the date this response was issued.

Where you are not satisfied with the decision of the internal review you may apply directly to the Information Commissioners Office (ICO) for a further review of that decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure in the first instance.

The ICO can be contacted at:

Information Commissioners Office
Wycliffe House
